# Bellingham Towers: Suite 490

119 N. Commercial St., Bellingham
Suite 490

**How to Find Me…**

Enter the lobby from N. Commercial St. or the parking lot. Take the elevator to the 4th floor. My office is the first door on your right, Suite 490.

Plan to arrive in the area 10 minutes ahead of your appointment time so you can park and make your way upstairs.

**NOTE: My office doesn't have a waiting room, so if the door is shut, please have a seat near the elevator and I will come get you when I'm ready for you. If the door is open, come on in!**

## Parking Info:

*** For Closest Parking:**

Bellingham Towers has a dedicated parking lot with easy access straight into the building. Enter at the corner of N. Commercial St. & W. Champion St. This lot is reserved for clients of the building, so payment instructions are posted inside. You can find these instructions just inside the door and in the elevators. Rate: $2-$3.

*** For Cheaper or Free Parking:**

Parking on the street is a little cheaper or even free depending on the street and time of day. There's plenty of parking close to the building, including right along the front on N. Commercial St. The closest streets are $1.50 per hour, but parking is free before 11am so ask for early appointments if the cost of parking is a concern for you! Street parking can be paid for at curbside meters with a debit card or coins, or directly on your phone through the PayByPhone app. You can also find free parking just a few blocks away, check out the map at www.downtownbellingham.com/parking to locate free streets.
